Examination Form (Important Information)

Essential Guidelines:

- Before you register, please take a moment to read all the information in the **"About AMIIChE Examination"** section under the Examination tab at our Home page.
- Filling out the Examination Form through mobile phones is not supported. Please use a computer to complete your registration.
- Examination fees once paid can neither be returned nor adjusted for subsequent examinations, even if your application is rejected. **Money receipt should reflect the current year and be before the deadline.**
- Please note that documents submitted with your application cannot be returned.

The last date of acceptance of application for examination: *(unless otherwise notified).*

March Examination:	**31st December of the preceding year**
September Examination:	**30th June of the year**

Applications submitted past the deadlines will be processed for the following semester's examination.

Examination fees	
Part I, IIA & IIB	Minimum fee payable Rs.3000/- for any four mandatory subjects; Rs.1000/- for each additional subject.
Part - III (Home Paper)	Rs.3000/-

For the postage of your Mark sheet, we kindly request an additional Rs.200/- alongside your examination fees.

After submitting your Examination form successfully, you'll get a confirmation email. Print the Examination form you received by email and follow the included instructions to complete your AMIIChE - Exam application.
