Important Notice

Discontinuation of AMIChE Examination after September 2027

This is to inform all active candidates enrolled in the Associate Membership Examination of the Indian Institute of Chemical Engineers (AMIChE) that, following the withdrawal of AICTE approval for the examination, the Council, at its 4th Meeting of 2026, has decided to discontinue the AMIChE Examination after 2027.

In view of the above, all candidates with pending written papers are advised to apply for **all their remaining papers in the March 2027 Examination Session** to complete the course within the stipulated period.

Candidates who are unable to clear any paper in the March 2027 session will be given **one final opportunity in the September 2027 Examination Session** to clear their remaining papers. No written examination will be conducted after September 2027.

Please note that **Kolkata (IIChE Headquarters)** will be the only examination centre for the forthcoming examination sessions.

Candidates who have completed 15 years in the course will also be allowed **an extended time up to September 2027** to complete all their remaining requirements, including pending written papers and the Part-III Home Paper.

All concerned candidates are advised to take note of this notice and plan their applications and examinations accordingly.
