Circular

Subject: Project proposal for students of the final year B.E/B.Tech and M.E./M.Tech in Chemical Engineering and/or allied disciplines from any AICTE/UGC recognized institutes/universities.

The Headquarters of Indian Institute of Chemical Engineers (IIChE) in Kolkata is inviting project proposals from the final year students of B.E/B.Tech and M.E./M.Tech in Chemical Engineering and/or allied disciplines from any AICTE/UGC recognized institutes and universities for the year 2024-2025.

The primary objective of this scheme is to extend a nominal financial support to the final year B.E/B.Tech and M.E./M.Tech students for initiating quality research work.

The students and their supervisors with their valid IIChE membership number are invited to apply for the project grant **on or before 15th April 2024** (Please visit www.iiche.org.in for details). The non-member students as well as their supervisors are requested to first apply for the membership before applying for the project grant. All the Regional Centres and the Student Chapters of IIChE are requested to circulate the attached guidelines for project grants along with the format for submitting the project proposal among the students and the faculty members of the AICTE/UGC recognized institutes and universities which offer UG and PG courses in Chemical Engineering.

The complete project proposals have to be submitted through the link given below **on or before 15th April 2024**.
